

Research Assistant Questionnaire

Name: _____

Please respond to the following questions. Your response should include specific examples that demonstrate your skills and experience. Please be concise (no more than 500 words per question).

1. What motivated you to apply for this position?
2. Do you have the legal right to work in the United States?
3. Describe your molecular biology experience.
4. Do you have any experience of sterile techniques? Please describe.
5. Do you have any cloning experience? Please describe your cloning experience along with various steps involved in a cloning experiment.
6. Do you have any experience running a benchtop fermenter? Please describe.
7. Are you a self-starter and do you have experience to efficiently work following established protocols? Please elaborate.
8. This job is in the St. Louis Missouri area. Do you currently live in the area? And, if offered the position, how much lead time would be required before you could start?
